## **What Happens Next?**

**Understanding the progression of  
dementia can help us learn what to expect  
and how to better interact with those we  
care about.**

**Follow the story of one family as they move  
through the stages of dementia. Learn  
along with them what works, what doesn't  
work, and how to keep the peace  
along the way.**

## **Featuring:**

**Melanie Bunn, RN, MS, GNP
