

Community Dementia Workshop

Wednesday, April 10

9:30 - 11:30 am

featuring

Melanie Bunn, RN, MS, GNP
Dementia Training Specialist
Dementia Alliance of North Carolina

location

Edgecombe Community College
2009 W. Wilson St.
Tarboro, NC 27886

Once you drive onto campus you will see a two story building on the right hand side. If you walk into the front of the building, the room is right off of the atrium area and is labeled. Parking is available on both sides of the building, as well as limited spots in front.

Understanding the progression of dementia can help us learn what to expect and how to better interact with those we care about.

Follow the story of one family as they move through the stages of dementia. Learn along with them what works, what doesn't work, and how to keep the peace along the way.

Workshop is free but registration is requested.
