Understanding the progression of dementia can help us learn what to expect and how to better interact with those we care about.

Join Melanie Bunn, MS, RN, GNP, and follow the story of one family as they move through the stages of dementia. Learn along with them what works, what doesn't work, and how to keep the peace along the way.

This interactive training will give you insight, understanding and tools to better navigate the world of dementia.

Location:

**The Refuge Church
230 Refuge Way,
