Your Support is Crucial

With more than 180,000 North Carolinians living with all forms of dementia, including Alzheimer’s, the burden is huge. There is a great need to invest in supporting caregivers, providing education and supporting research that improves the quality of life and gives hope to those facing the challenges that come with these diseases.

Your support is critical in helping us increase our reach and impact across the state. You can rest assured your donation will be leveraged to deliver services and conduct research helping make N.C. a state of caring for those caregivers and individuals living with dementia.

This annual summary highlights the many ways your generosity has empowered North Carolina families.

Thank you!

"My wife loves this music player ... for the first time in many months she was singing along with music! This music is one of my go-to items when she is agitated."
- David, Chapel Hill

"Thank you so much for a well-organized and informative conference. It was evident how much hard work and planning had been done. I will certainly be using the tips discussed in the afternoon session. Not only with the dementia patients I visit, but also my hospice visits. Your work is so important and I am thankful you are here."
- Brenda, Raleigh
