Over **12,000** families served

Dementia Navigation:

Guiding individual caregivers

Unique Families Served:
626 (+19%)

- 91% said their interaction with DANC reduced their caregiving stress.
- 83% indicated their caregiving knowledge or skills increased as a result of their interaction.
- 93% said they are likely to reach back out for further assistance.

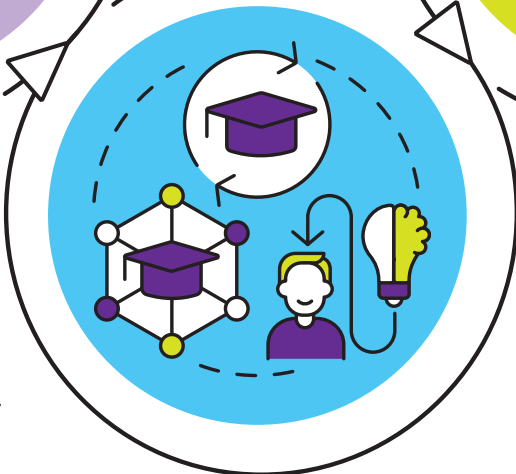

"Throughout the conversation, the individual I spoke with was calm, reassuring, confident, and knowledgeable. I received a follow-up email shortly after our conversation and knew exactly what to do next."

Education:

Empowering Caregivers

Education Programs Held:

- 131**
- 5,700 views on YouTube
 - 4500 attended conferences, workshops and webinars.

"A simple Thank You to each person involved. Dementia is a disease that continues to evolve on so many levels, and practical information is always needed, particularly for caregivers. Valuable tools and resources were shared and I look forward to future conferences."

Support Groups:

Building Community

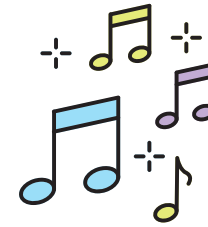

Number of Groups:

135

- 51 NC Counties
- 89 New leaders trained

"Thank you for the support group today. Mom (and I) found it very helpful. She's been struggling with guilt and fear and everything we all struggle with. It helped a lot to know that our new normal is not a single island."

Music & Memory:

Improving Quality of Life

Music Kits Delivered:
36

"We got our music kit and all I can say is a huge thank you. Thank you for putting this together and encouraging me throughout the process. My dad absolutely loves it. The healing power of music is so incredible. You and your team did an awesome job and the music is spot on. So thankful!"

Caregiver Assistance Fund:

Decreasing Caregiver Stress

Hours of Respite Given:
1,025 in **28** counties

"Thank you so much for awarding us the funds to help care for our mother. The money allowed me and my sister some respite time to spend with our husbands. The caregiving break was just what we needed!"
