

Community Dementia Workshop

Thursday, August 31, 2023
1:30 - 3:30 pm

Lisa Levine with Dementia Alliance of North Carolina will lead a discussion about understanding dementia, including a review of what is "normal aging" and what is actually dementia.

Come with questions and be prepared to interact so we can all better understand the perspective of the person living with brain change and confusion.

New Bern Community Dementia Workshop

8/31/23

1:30 pm - 3:30 pm

Seniors Choosing to
Live at Home
