bwhite@mccog.org,
(910) 323-4191, Ext 28**

Caring for someone living with dementia is HARD! And finding the time to care for yourself while doing that is even harder. Join us for a workshop created just for you.

We will discover how dementia affects the brain and gain techniques to better interact with people living with dementia.

We will have a light breakfast and lunch for you to enjoy, time for you to talk with other caregivers, and a fun interactive day to connect with local resources and experts.
