Get connected with local resources and industry experts that can help you care for your loved one during this event on September 3 or 4. Along with presentations throughout the day from experts in caregiving and wellness, we'll have these and other activities at our event:

- **Personality Crash:** Portraits of My Father Who Suffered From Advanced Stages of Parkinson's Disease, Dementia and Sundowners Syndrome by Safi Alia Shabaik examines the human condition when altered by disease, from an intimate perspective.
- **DukeWELL-ness Clinic:** 15-minute wellness visit to check your blood pressure, cardiovascular health, and also offering flu shots.
- **“Creating a Safe Space” Demonstration Area:** Experts showcase examples of potential hazards in an older adult's living space and how to make changes for a safer environment.
- **100+ Community Resource Organizations:** Walk our show floor and meet representatives from groups that offer services for assisted living, legal needs, maintaining an active lifestyle, and more.
- **Pop-Up Mini-Sessions:** These quick caregiver mini-sessions are designed to give short bites of helpful information to assist you during your caregiving role.
