**DEMENTIA
ALLIANCE**
of North Carolina

Thank you for joining **Dementia Alliance of North Carolina's My Music NC** program!

Inside your kit, you'll find everything you need to bring music into your daily routines at home and on the go. The next pages show you how to use the equipment we've included in your kit.

Need help? If you have any questions or run into technical problems, please call us at (919) 832-3732 or email us at mymusic@dementianc.org.

Can I keep this? Yes, the kit is yours to use as long as you need it. If you no longer need it, please let us know so we can share it with another family. Call or email us anytime to learn more about how to return your music kit to us. We will provide you with postage and/or welcome drop-offs at our Raleigh office.

What's in Your Kit

iGuerburn Easy Music Player Speaker
(Includes: Power Cord, USB Stick with TF Card Reader)
Pre-loaded with Your Personalized Playlist

Anker Soundcore Life Q20 Noise-Cancelling Headphones
(Includes: Headphones, Charging Cord, Auxiliary Cord, and Carrying Pouch)

USB Wall Charger for Headphones

Headphone Splitter

Also included:

- Tote Bag for Storage
- Personalized Playlist Guides
- Spotify QR Code & Setup Guide

Using Your Easy Music Player

Your Easy Music Player is ready to use — no setup required. It's designed like a simple radio that plays only the music your loved one enjoys most.

The playlist is stored on the **TF memory card**, already inserted into the player.

We've organized the songs so that the more relaxing selections are grouped together. Use your printed playlist as a guide to find calming tracks for rest, relaxation, or other quiet routines.

How to Listen

Using the Easy Music Player with Built-In Speaker

- Plug the **power cord** into the **Power Port** and connect to a nearby outlet.

Back of the Easy Music Player

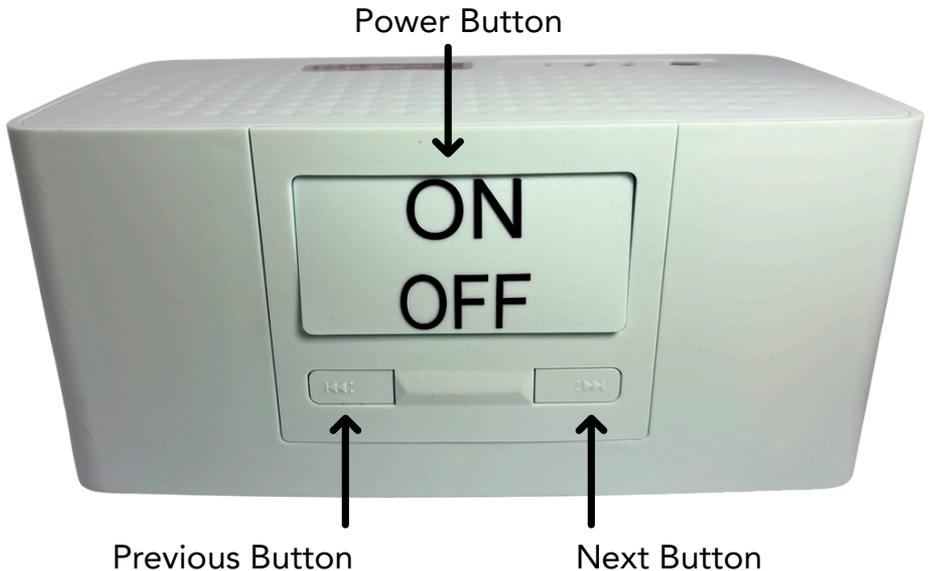

Headphone Port Power Port

Back of the Easy Music Player with Power Cord Plugged In

- **Power On/Off:** Press the large button on top to start or stop the music.

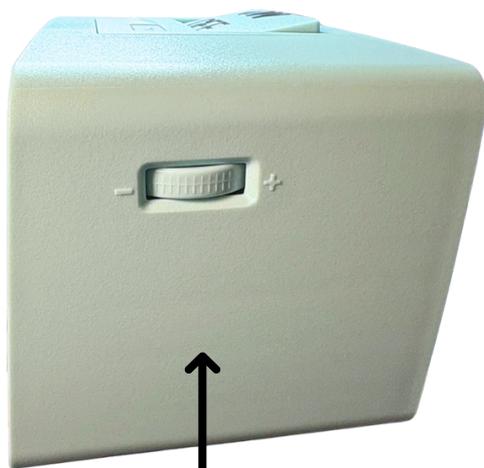

Top of the Easy Music Player

- **Skip Songs:** Use the **Next** and **Previous** buttons to move through your playlist.

- **Volume Control:** Adjust volume using the wheel on the side of the player.

Right Side of the Easy Music Player

Volume Control

Using Headphones with your Easy Music Player

- Your kit includes high-quality convertible **over-ear headphones** for use with your Easy Music Player. Headphones offer excellent sound quality and are ideal when quiet is preferred or you don't want to disturb others.

- Plug the removable cord into your headphones and into the Easy Music Player's headphone port. Your Easy Player is NOT Bluetooth enabled.

Back of the Easy Music Player

Want to share the music with someone else?

Simply plug the **headphone splitter** included in your kit into the headphone port of the Easy Music Player and then add a second pair of headphones to the splitter. If you don't have an extra pair, let us know. We're happy to send some to you!

Taking Your Music On the Go

You can enjoy your **My Music NC playlist** on your preferred streaming service and take it on the go—in the car, while traveling, or at medical appointments. The headphones we've provided can be used wirelessly with any Bluetooth-enabled smartphone or tablet.

We've included a **QR code** that links directly to your personalized playlist on **Spotify**. You will need to set up an account to use it.

How to Set Up a Free Spotify Account

- Download the **Spotify** app or visit the website: **spotify.com**
- Select "**Sign Up Free.**"
- Once you sign up, **scan the QR code** provided in this kit to open your playlist.

Prefer Another Streaming Service? If you already use Apple Music, YouTube Music, Amazon Music, or Pandora, we can provide your playlist in that format. Reach out anytime to request a link to your personalized playlist on your preferred service.

Online Manuals

- Anker Soundcore Life Q20 Wireless Headphones
 - [Manual Online](#) for more information on how to use with a Bluetooth device:
