About our Walks to Defeat Dementia!

The burden of dementia is huge. With more than 210,500 North Carolinians impacted by all forms of dementia, including Alzheimer's, there is a great need to invest in supporting caregivers, providing education and supporting research that improves the quality of life and gives hope to those facing the challenges that come with these diseases.

Our **Walks to Defeat Dementia** are days of celebration and remembrance that provide critical funds to support our mission and our belief - that everyone impacted by dementia deserves the resources to have an optimal quality of life and hope until there is a world without dementia.

Dementia Alliance of North Carolina is a 501 (c)(3) non-profit organization that relies solely on community support. Please register your team today and fundraise to ensure we can continue to provide comfort, assistance, resources and education, so that no family walks through this journey alone.
